"Education is the most powerful weapon which you can use to change the world."

-Nelson Mandela

A Foreword

It is unfortunate that some people struggle hard to acquire even basic amenities while others over-enjoy these necessities. We believe that most of the times it's the ignorance of their capabilities that restricts their social and personal advancement.

We urge people to a better stance by providing them education, employment, insight to think high and improve standard of living by self-efforts rather than directly providing them money. With our initiatives like Jagriti Vidya Mandir, e-Samadhan, PRAYAS we focus not on helping people financially, but we are determined to provide them employment, education, insight to think high and improve standard of living by self-efforts.

Here is a summary of the activities that GYWS carried out in 2018-2019.

GYWS is thankful to all the kind donors for their generous support to our organisation and students who served GYWS with unparalleled dedication and helped us to make our efforts fruitful.

Words That Matter

From the Desk of Patron

The society is fortunate to have some young Samaritans who have always committed themselves for the humanitarian cause of uplifting the condition of the poor and enlightening the future generation, let all of us join our hands together to make this endeavor, envisaged to help the needy aspire for a better future, become a success.

Prof. Madhusudan Chakraborty
(Former Director, IIT Bhubaneshwar)

From the Desk of President

Gopali Youth Welfare Society (GYWS) was established with the objectives of making people aware of problems faced by the modern society. It also aims at helping people's social, economic and cultural development and encouraging them to find out solutions to their problems on the basis of locally available resources.

Mr. Mrinal Kanti Bhanja
(Founder, Gopali Youth Welfare Society)

From the Desk of Ex- President

"Since its establishment in 2002, Gopali Youth Welfare Society has successfully launched and carried out several training and development activities in and around the Gopali. In the past we have established rural libraries providing vocational training to the people from under-privileged section of society beside carrying out several awareness generation programmes. We will strive to continue with this program while expanding our base. We have been helped in the endeavours by our advisory members and the local population. We express our gratitude to them and our well wishes. "

Ms. Suparna Mondal

From Eminent Personality-1

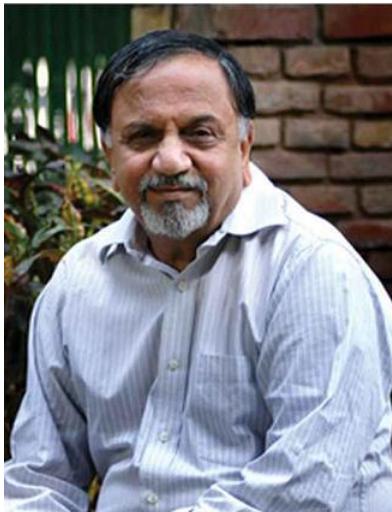

"Having attended some GYWS events, the determination of the students to make a change amazes me. This is worth applause that they have taken the initiative to work for the underprivileged. I feel privileged to have such students in the campus who seek to give back to the society. Hope to see GYWS as well as other students come forward with more such initiatives."

Prof. Partha Pratim Chakrabarti
Director, IIT Kharagpur

From Eminent Personality - 2

"I was happy to see the diverse activities being taken up by the Gopali Youth Welfare Society. The social commitment being continuously shown by the students and faculty of IIT Kharagpur to share knowledge and time with the inhabitants of Gopali and its surroundings is laudable. I was also impressed with the details of expenditure for the last few years which they have displayed on the website. I wish them all the best and send my good wishes. "

Mr. Sailesh Gandhi (IIT Bombay, '63 batch)
Former Chief Information Commissioner,
Government of India.

From Eminent Personality - 3

"I would like to recognize GYWS at IIT Kharagpur at which I found out about when I visited PAN IIT GLOBAL CONFERENCE 2012 and what I said was about, you have got to establish a cause you would like to give back to and I'm extremely happy this organisation exists within IIT Kgp campus."

Mr. Roy Da Silva (IIT Kharagpur, '74 batch)
Former President, IIT foundation

Words from the Advisory Committee

The future of our country is said to lay in the hands of the children. It is inspiring to see the members of Gopali Youth Welfare Society so determined in their goal of helping the children in Gopali village have a bright future by providing over 200 students with free education in their school Jagriti Vidya Mandir. Not restricting their attentions to only the young, Gopali Youth Welfare Society has also taken up numerous ventures such as e-Samadhan, and KGP Blood Connect in an attempt to spread social awareness to all. I whole heartedly wish them all the best and hope to see many more successful social initiatives.

Prof. Damodar Maity
Professor, Department of Civil Engineering, IIT Kharagpur

Gopali Youth Welfare Society firmly establishes a hope for better future where people and especially students inculcate a sense of social responsibility. It is very impressive endeavor made by the students of IIT Kharagpur by providing free of cost education to underprivileged children. While these students of Jagriti Vidya Mandir are the future of our country, these members of GYWS are venturing in laying out a path for the future of these students.

Prof. Adrijit Goswami
Professor, Department of Mathematics,
Chairman, JEE, IIT Kharagpur

Gopali Youth Welfare Society is doing a great job of providing free education to the under privileged students. Their venture is not only limited to the child education. They are trying to spread social awareness and education among the village women as well. It has involved IIT Kharagpur students for these novel social causes. Being a part of IIT Kharagpur, I feel proud of these students who are putting lots of effort in spite of their busy academic schedule. I wish all the best to the whole group and hope to see many successful students coming out of their school.

Prof. Sasmita Mohakud
Inspire Faculty, Department of Physics, IIT Kharagpur

When I first met the group of Gopali Youth Welfare Society, I was amazed to see their enthusiasm in taking part in various social initiatives, especially in spreading free education among village children. I see two benefits of this system. It raises the educational standard of one locality. But the major social impact comes from the involvement of the bright students of IIT Kharagpur in this social venture. These students from various parts of India are getting first-hand experience in such social activities and they are potentially able to spread the awareness and activities nationwide. I hope, many more people will be inspired by their enthusiasm.

Dr. Sudipta Datta

Assistant Professor, Department of Physics,
IISER Tirupati

In a world where most people are struggling to find time even for themselves, these students of GYWS have put precious time and effort into making Jagriti Vidya Mandir an unimaginable success! It is refreshing to see such high spirits and concern for the betterment of the society amongst today's youth. I wish them success in all their future endeavours.

Prof. Sudipto Chakraborty
Professor, Chemical Engineering,
IIT Kharagpur

The annual report is an important document for the members to look back and assess the journey. GYWS has faced several hurdles and overcome all the odds and has flourished into a successful organization aimed at bringing social awareness and helping to improve social conditions wherever possible. Jagriti Vidya Mandir, an English medium school that provides over 200 children with free education, is an incredible achievement for students who have to manage their time between academics and social work. GYWS should move forward with its journey and continue to inspire and educate others.

Prof. D.K. Maiti
Professor, Aerospace Engineering, IIT Kharagpur

Running a school is no small task. It is only possible due to the hard work and determination showed by the members of GYWS in striving to maintain Jagriti Vidya Mandir. The students of IIT KGP should feel proud of all of their success in providing each child the privilege of good education. GYWS has also shown incredible creativity and motivation in their attempt to rectify as many social problems as possible through various schemes such as Paperkraft and e-Samadhan.

Prof. Amit Patra
Professor, Electrical Engineering,
IIT Kharagpur

GYWS initiatives this year have been very commendable. I would specifically laud the pilots carried out on horticulture. Initial efforts for formation of local FPOs are also in the right direction. For any sustainable initiative, such FPO's would be conducive in providing the essential support structure and team work. Coordinated effort is needed on different fronts like: Developing agronomy based guidelines and expert advisory network for farmers for high value horticulture crops and Use of technology for crop management, education, information and consultancy for farmers needs to be identified and deployed for higher effectiveness and thus an overall support to farmers. I would wish great success to the GYWS team in their future endeavors.

Prof. Mrigank Sharad
Professor, Electronics and Electrical Engineering, IIT Kharagpur

Equal education to every child is highly essential in dreaming a developed nation in all fronts. The Gopali Youth Welfare Society (GYWS) with involvement of our students not only provides an excellent learning environment for the needy children, but also inculcate the spirit of unity, service to nation, kindness, humanity, etc among the talented youth and this is the need of today to see our country developed and glorified in the world. I appreciate the activities of our students through GYWS and wish every success in their endeavor.

Prof. Dillip Swain
Professor, Agriculture and Food Engineering,
IIT Kharagpur

"Atmana Mokhsartham Jagat Hitayacha"... The words from Swami Vivekanda inspires us in every initiative and action. We are tirelessly fostering the message that- we cannot reach to our goals without caring others. Today it seems very unknown and forgotten statement in the society full of hatreds and individualism. We have taken up this challenge to ensure equity and equality to the future society. We are also engaging us in defining and determining tomorrow with technology advancement and appropriation. We dream to live in a society building a sustainable earth with equitable opportunities.

I am happy to be associated with GYWS.

Dr. Bhaskar Bhowmick

Professor, Rajendra Mishra School of Engineering Entrepreneurship,
IIT Kharagpur

I personally believe is that we all are working (either employed or self-employed) for ourselves and ourselves alone. But when we move out of this sphere of narrow selfish thinking and try to earn goodwill plus blessings instead of a mere salary or wealth, we become more than what we are actually capable of. We move into the outer ring of service to society or Community Building - of those who don't have what we have. Whenever, we reach out to the downtrodden, or deprived (in whatever sense) or the illiterate, or anyone in any sense lesser than us, we not only enable them, we, in fact, live move from being mere human beings to becoming Divine Human Beings. For in the service of the others lies the Service or Devotion to the Divine.

Since 2002, Gopali Youth Welfare Society (GYWS) has been a noble initiative of the students of IIT Kharagpur to give back to society what they have already earned. Being students of the oldest IIT, Volunteers from IIT Kharagpur (at UG, PG, PhD levels) have proved the old truth time and time again in whichever welfare program they have undertaken since 2002 - whether it be EaCH, Prayas or the Agricultural project now blossoming at their Prime spot - the Jagriti Vidya Mandir, Salua. I wish the Selfless Volunteers of the GYWS, the very best in all their noble ventures and am confident that in one way or the other, they will always remain Blessed for each and every action which brings them closer to the lowest rungs of society.

Prof. Seema Singh

Professor, Department of Humanities and Social Science, IIT Kharagpur

"The fact that a group of students of IIT Kharagpur run a fully-fledged NGO leaves me filled with immense pride. As an advisory committee member of GYWS and having closely observed all their activities, I can personally speak of the hard work they put in and the level of commitment they show. They are breaking the trends which see IITians aiming at bagging high salary jobs as soon as they enter the campus. These people are contributing back to the society and their contribution is making a difference."

Prof. N R Mandal

Ex-Professor, Ocean Engineering and Naval Architecture,
Ex-Dean SA, IIT Kharagpur

Society is purely the extension of ourselves. Though we stepped in 21st century there are still several bleak aspects remain in our society especially in the developing countries like India. Illiteracy, poverty, lack of health consciousness, lack of social consciousness, lack of worldly knowledge are major among them. We, the so called well to do class of these countries should feel for the down trodden. It's our moral duty to uplift the suppressed from the bleakness they are living in.

Out of these sacred some of the educated youth grouped together to do something in the field and GOPALI YOUTH WELFARE SOCIETY came into being.

We have strong faith in ourselves and we have the determination that our assembled force will lead us all through the path of the purest desire, we want to do. In our way forward, we need the extended hands of everyone who belong to our society along with the assembled force us, we not only enable them, we, in fact, live move from being mere human beings to becoming Divine Human Beings. For in the service of the others lies the Service or Devotion to the Divine.

Prof. H R Tiwari

Ex-Professor, Department of Humanities and Social Science, IIT Kharagpur

About Us

Gopali Youth Welfare Society is a registered non-governmental organisation established in the year 2002 with the idea of giving back to the society. Registered under the West Bengal Societies Registration Act of 1961 in 2004, this NGO operates mainly in villages around Gopali near Kharagpur. The organisation has undertaken various activities in backward areas of Kolkata.

With the twin objectives of making the youth and society aware and of ensuring socio-economic welfare for underprivileged and weaker sections of the society, various projects are being successfully run by the society and have proven to be milestones in bringing the change. The society is trying to help women, children and aged people through basic sustainable guidance and management infrastructures. Projects like e-Samadhan, Child Rights protection and rehabilitation and PRAYAS are playing an important role in improving socio-economic grounds. KGP BloodConnect and Aarogya have marked active presence of the organisation in grounds of medical awareness. Initiatives like PRAYAS and Social Cell are playing important role in motivating the youth and providing them the opportunity to work for the society. The major initiative of the society is Jagriti Vidya Mandir (JVM), an English medium school providing free of cost education to children from weak financial backgrounds.

The society seeks to fulfil its objectives with the help of its executive body which is composed mainly of students of IIT Kharagpur who are dedicated to the service of needy and deprived under the guidance of professors of IIT Kharagpur. The professors have constantly motivated and encouraged us to achieve our goal. The local members are the pillars of strength of our society. The local support which the society enjoys has seen it prosper and spread its branches and the organisation is now planning to expand its reach by setting up its new chapter in various other cities.

Vision

Gopali Youth Welfare Society comes forward to people to help them fulfil their dream of living an independent and prosperous life. We strongly believe that India's progress depends in the progress of its weakest links.

We work hard to bring together all the underprivileged sections of society and enable them to establish a sustainable society where everyone will have the potential to dream big as well as have the chances of fulfilling their dreams.

Mission

To improve the standard of living of the people of villages like Gopali by utilizing locally available resources. We also want to make people aware of their problems and try to find the solutions to those problems.

Objectives

The society is a non-profit seeking organisation and shall:

1. Work for the overall welfare and all-round development of vulnerable sections of the society and promote sustainable development.
2. Provide education to all children by setting educational institutions and library.
3. Work for the rural upliftment by improving health related facilities, water supply, irrigation, agriculture, and cottage and village industries.
4. Facilitate the people to get the available assistance from the different departments of govt. and other welfare societies.
5. Help and assist the meritorious but needy students of all communities for continuing their studies and to assist the dropout school children by bringing them back to schooling.
6. Organize health check-up programs for rural community in collaboration with other NGO's and health centers and cooperating in the activities of controlling pulse polio, AIDS and other diseases.
7. Help and assist the aged widows, sick, helpless, and indigent persons to through health care service and other rehabilitation programs.
8. Empower the community through formation and nurturing of self-dependent groups in the communities and capacity development through vocational training.
9. Publish annual report of the society, brochures and maintain research programs in rural areas on social development issues.

Journey So Far

Since very young age, Mr. Mrinal Kanti Bhanja, founder of Gopali Youth Welfare Society was remarkably enthusiastic to serve the society. It was his vision that has shaped Gopali Youth Welfare Society in the form we see today.

Gopali Youth Welfare Society was founded in 2002 and got registered under the West Bengal Societies Registration Act, 1961 in the year 2004. What started as a vision with a few enthusiastic students willing to bring a change has now flourished into a well-recognized organisation today which has changed the way of life of many.

Throughout its journey, GYWS has received support from the professors of IIT Kharagpur, including Prof. Damodar Maity, Prof. Adrijit Goswami, Prof. Sasmita Mahakud, Dr. Sudipta Dutta, Prof. Sudipto Chakraborty, Prof. D. K. Maiti and Prof. Amit Patra who guided us throughout the journey as the advisory committee. New advisory committee

members include Prof. Mrigank Sharad, Prof. Seema Singh, Prof. Dillip Swain and Dr Bhaskar Bhowmick. GYWS presently runs under the able guidance of Mr. Mrinal Kanti Bhanja as President.

GYWS has undertaken several initiatives such as KGP BloodConnect, tree plantation drive, e-Samadhan, Prayas, Helping Hands and Jagriti Vidya Mandir. In recognition of its activities, GYWS has received a lot of support from many sources such as various NGOs like Nehru Yuva Kendra, Red Cross, BAM India as well as 3 Bengal Tech Air Squadron NCC. We have also received constant support from students of IIT Kharagpur and the professors here as well as student run organisations within the institute.

The prime initiative of Gopali Youth Welfare Society is Jagriti Vidya Mandir, an English medium primary school situated in the village Tangasol providing free of cost education to around 250 children from financially poor background.

What started as a small venture held in a rented classroom at I.M. High School is now a successful primary school situated on its own 2 acres of land in Salua, consisting of 4 complete units, comprising of 8 classrooms. All of this progress could not have been possible without the help of the IIT students, the professors of IIT Kharagpur in helping with the construction process and TIARA Foundation.

Though JVM remains this society's major initiative, it has conducted many other undertakings and welfare schemes as well. Welfare schemes of GYWS cover a wide range of issues including free education, social awareness campaigns, vocational training, child labour issues, health camps and women empowerment.

The present scenario is quite incredible with a vast number of members, ranging over UG students, PG students, research scholars, alumni and support from professors, individual donors and various industries.

The organisation currently operates in Kharagpur and Kolkata and we hope it will expand to more cities in the future for the betterment of the society.

Under the initiative Light, the expansion program of GYWS, undergraduate members have aimed at forming a PAN India network of socially motivated students. LIGHT works on its 8 listed objectives-L8 which are Quality Education, Women Empowerment, Healthcare Awareness, Save Environment, Youth Upliftment, Social Awareness, Food for all, Collaboration to succeed through teams formed in various colleges across India, integrating all the ideas, experience and efforts of different minds across the nation under the lead of the centre at IIT Kharagpur and hence delivering optimum results due to participation of all.

New initiatives introduced this year include Helping Hands, Foundation day of Jagriti Vidya Mandir, and the rural innovation program conducted in association with MHRDA and I.I.T Delhi.

Senior Executive Member (2018-19),
Gopali Youth Welfare Society

IIT Kharagpur Chapter

The IIT Kharagpur Chapter is primarily managed by the IIT Kharagpur members under the guidance of some professors. This group is responsible for the undertaking of any projects initiated by Gopali Youth Welfare Society, maintaining relations with the IIT professors, spreading the word in and around the campus, fundraising and maintaining financial accounts.

The IIT Kharagpur chapter primarily works in and around the village Gopali, chiefly concerned with smooth operation and development of Jagriti Vidya Mandir, an English Medium school run by GYWS for providing free of cost education to underprivileged children. Many other initiatives are undertaken by the team such as KGP BloodConnect, e-Samadhan, medical camps and various awareness and training workshops.

Promotion of GYWS in various extension programs in colleges throughout India is done by these members. IIT Kharagpur chapter also maintains the website and releases GYWS Annual report and Audit report.

Jagriti Vidya Mandir

Marking illiteracy as its prime concern, GYWS embarked on an education program in April 2008: Jagriti Vidya Mandir, an English Medium primary school. Its main motto is "To educate each and every child for a better tomorrow". GYWS is focused upon providing quality education aimed at educating the children, imbibing the true ideals of humanity in them and thus enlightening the future generation paving the way to a prosperous tomorrow built on a strong today.

Jagriti Vidya Mandir is an English Medium School which aims to provide quality education to underprivileged children absolutely free of cost. It is located in Tangosol village, 1.5 km from Salua Air Force Station which in turn is 5 km from IIT Kharagpur campus. The school is running in its full-fledged form from 15 April 2008. At present, class up to 5th standard is run. Eight full time faculties give their services as tutors. Besides it, IIT Kharagpur students take Laptop sessions on Saturdays for students. Our target group is BPL

(Below Poverty Line) students and dropouts. We provide books, uniform free of cost to the BPL students and at a nominal fee for other students.

There are about 250 students enrolled in Jagriti Vidya Mandir from Nursery to Class 5. The school timings are 7 a.m. to 11 a.m. There are 10 teachers, with the teacher in charge being Mr. Ajoy Roi. The school also has 3 Aya and some helpers. After a student completes his class 5 from JVM, he is sent to Hijli High School. The educational expenses of the kids are covered by Gopali Youth Welfare Society.

Earlier the school used to run in rented campus of another school, Gopali I.M. High School from 7 a.m. to 10 a.m. Now, JVM aspires to be a residential full-fledged school for students of BPL families offering variety of courses at +2 level, vocational training and career guidance.

KGP Blood Connect

KGP Blood Connect is a social initiative to help those truly in dire need of blood as efficiently as possible. The principle of this initiative is to create a database of all the willing donors in the vicinity, containing all pertinent details such as age, gender, blood group and any health issues. These donors are expected to give their contact details and be ready to come and donate blood at a short notice. NSS units were involved in the activity to collect details of potential donors from the various villages around the campus.

Participation: 837 students from 18 halls of residence at I.I.T Kharagpur and 152 people from various villages around the campus have provided their details.

JVM School Construction

Journey which started in the year 2008 is nearing a milestone. In 2008, GYWS took up the cause of educating underprivileged children in and around village Gopali. Despite the increasing no. of schools in the area, these kids didn't have access to education because all the schools run in nearby areas have very high fee which poor families can hardly bear. So, GYWS decided to provide free primary education to these kids. Thus, Jagriti Vidya Mandir came into existence. With a humble beginning with 34 kids and a single rented room at I.M. High school, today JVM has over 200 students, classes up to 5 and 10 full time faculties.

With every year, Student strength increased and space available at I.M. high school was no longer sufficient. Also, JVM ran in the building of I.M. High school from 7:00 AM – 10:00 AM. Three hour duration is not sufficient to cover syllabus of higher classes. Also, students missed out having due focus on extracurricular activities due to constrained school hours.

To solve these issues, JVM's own campus was planned in 2011. With the generous support of Tiara Foundation, New Delhi, GYWS was able to purchase 2 acre land in village Gopali in 2012.

Construction of building commenced in 2013 with donations from IIT Kharagpur students. Currently 4 units have already been completed (out of which 1 unit was commenced by Prof. Damodar Maity). All units were divided into two rooms. Also, all rooms have been electrified. Fans, Lights have been installed. Water tanks has been constructed. Trees have been cut. Now, since there are 8 classrooms, entire school is run in single shift.

Also, Prof. Damodar Maity of Civil Department, IIT Kharagpur constructed a small house under 'low cost alternative rural housing project' on JVM

land. This house is already under use by labours and GYWS night guards at the JVM construction site.

Last year 4th unit of JVM had also been painted (3 of these units were painted before start of this session). All the units of Jagriti Vidya Mandir had been painted with combined efforts of GYWS and Spectra. Members of both the societies beautifully sketched and then painted the entire front wall of the newly built unit after 10 hours of effort. Last year, fencing of the school campus was done along with construction of entrance gate.

This year painting of the fence and electrification work was undertaken. Under the electrification work, new lights and fans have been installed, existing have been repaired and a complete electricity supply has been set up.

Upgradation of School Library

Innovate to Teach & Teachers' Training Teams and School Teachers are involved in enlisting story books which will attract children and results in their reading, listening and speaking skills. Further plan is to conduct storytelling sessions, basic drama performance in the classes and reading such story books.

Future Plans

We seek to take Jagriti Vidya Mandir to beyond its current primary level to complete school cum hostel catering to the needs of over 500 students. The facility will not only provide education up to 12th grade, but will also take responsibility of ensuring that its students settle in their professional or educational lives before they leave.

Website (www.gyws.org)

In today's world where almost everyone uses mass media to remain socialized and read newspapers to get to know what is actually happening around. Hence, it is vital that the website should be attractive, informative and user friendly i.e. easy to use for all. GYWS, being an NGO that runs entirely on donation from general masses gives utmost importance in maintaining full transparency and providing detailed records of all financial transactions so as to make general populace satisfied for there investment. Links of GYWS's various social media pages (Twitter, Facebook, Google+, Instagram, LinkedIn) are there on website. Under Members tab one can find the complete details of the members of GYWS, other than that we also have About us tab which provides information about our organisation, our aim, few words from our founder. We do have several Initiatives and one can get to know about them through Initiative section. One can also get to know about the recent activities that are going on through website. GYWS annual report, Audit Report, different forms, Authentication certificates can be found under the documentation section of the website.

Our Bank Details, and other necessary information like the SI Form, General Donation Format etc. are available in e-format in website that will help for ventures such as Educate a child, Earn A smile etc. Under the media coverage section one can find the different media bodies that recognized and appreciated our work. Under Contact Section we also have a suggestion portal in which we would be happy to take on the suggestions and work over it.

Perception About Us

As the IIT Kharagpur batch of 2019 is graduating, our eminent seniors in IIT Kharagpur and representatives of various student associations within the campus share their experience with GYWS. Our seniors have always been a source of inspiration and a motivational figure for us. It is due to their sincere hard work and exuberant leadership that society has excelled in the past years. We are thankful to all the students of IIT Kharagpur for their benevolent support and wish them all the luck in their future endeavours. Our best wishes to the passing out students.

Perception About Us

Basically, what I feel about GYWS is that their objective is quite different from any other society in Kharagpur. Most of us are very busy with our lives. We actually forget about giving back to society. People waste their time not doing anything. As we have GYWS on this campus, students actually make time in their busy schedules to contribute back to society. We must not forget that, at least till our batch, most of our institution fee is funded by the Indian government. Even a poor person who buys a biscuit or something gives tax in some form. Always crave to give back to society. After giving back to society, you get a feeling of immense pleasure, which I think money can't get you.

Another thing is that donating money and utilizing the money to help others are quite different. Just donating money is not enough. If you are privileged, you can do that. But volunteering, and actually utilizing it is quite a great task, which you people do in GYWS. It's a tremendous task. That too, scheduling it with your current activities and academics is a great job.

From the feedback of my friends, what I came to know is that the students are getting a lot of exposure. Apart from that, the program Aashayein is actually a great stage more. You are giving that underprivileged guys so much confidence to perform in front of a big crowd. This will definitely boost their confidence to face things in their future life too. This again is a very good thing that you are conducting. I have seen volunteers from your society going to each hall and explaining how the funds are used fruitfully for the benefit of students. You people put in a lot of effort. It is commendable.

What I want to say is that it feels totally good when you give back to the society.

Perception About Us

The idea of 'giving back to the society' is instilled in us throughout our stay in IIT Kharagpur, but somehow under the plethora of activities that goes around in KGP, most of us neglect this idea. And hence, it's awesome to see an organization like Gopali Youth Welfare Society working all round the year for the welfare of the people around us in KGP. Realizing the privileges of quality education and expanding those to underprivileged kids, the work that GYWS has done with Jagriti Vidya Mandir is commendable. Being able to visit JVM in my first year and seeing those happy faces is certainly one of the most natural and precious things I have witnessed. The way GYWS connect the student masses of KGP by their various initiative is exemplary. Be it their Cloth Donation, Blood Donation, or Cycle donation drives, they reach out to the student community and help them contribute to the society in meaningful ways. I admire the efforts put by the GYWS team and I wish they keep on inspiring the student community through their work.

Perception About Us

Country as a whole is a big domain to analyze about the problems. However, after all the observations through my experiences I believe people in our society do not think and analyze things in the same way causing disparities in many beliefs, customs and ideologies. It is difficult to bring everyone on the same page but education as a tool can instill this among the generations. Education act as a weapon for personal, social and economic development of individuals and hence the nation. Ultimately education helps to live with prosperity and happiness. We at IIT Kharagpur are all educated enough to understand the important issues. In this rapid time flow we forget to think about those who are deprived from education and how our small effort can change their lives. Here comes the importance of GYWS, which not only educate the underprivileged but also bring good impact among them. In upcoming years, GYWS can also look at the other aspects of their development as in Kharagpur campus due to a large number of students there are a lot of assets in excess which are of no use. Such assets include clothes, cycles, daily life amenities etc which can be gathered, improvised and be brought under good use.

Lastly for the students of IIT Kharagpur, I would like to emphasize on the fact that it should be understood that life is much bigger beyond the campus. In that life there would be different kind of people who are not as capable as us in many aspects. Hence we should prepare ourselves to start thinking for everyone and why not align our thoughts with GYWS' ideologies for the same.

Kudos people for everything and have a great life ahead!

My JVM Story

As the Jagriti Vidya Mandir (JVM) functions up to 5th Standard, the students are then sent to Hijli High School for their further education with society covering their educational expenses. Special tuition classes are provided to them by the some of the JVM teachers. Here are the experiences shared by those students about JVM.

My JVM Story

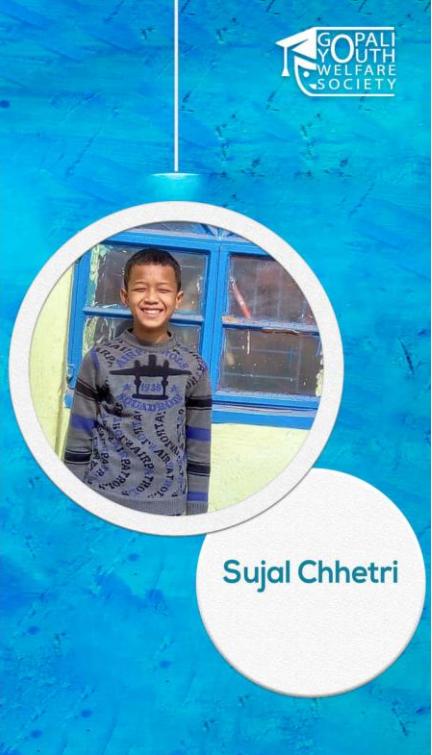

In JVM, the teachers are very good. Our school gives us dresses, socks, cycle, sweater, etc. We perform songs, dance in our school. There are classes from nursery to class 5. In our school we have a big playground to play in. This gives us many games to play. Our teachers prepare us for the Navodaya Vidyalaya Exam. We also get computer coaching. This is why I like my school very much.

Aditya Rai

My JVM Story

Presently I study in class 10 in Hiji high school. I completed my primary schooling from JVM. My parents sent me there because we can't afford too much. In JVM, the teachers are very kind and helpful. They explain in a good manner and help me when I don't understand the lessons. Coaching classes are given for both, students studying in JVM and also for ones studying in other schools. Cultural programs, sports, events, and many other activities are also organized. This school has given me so much, be it knowledge, discipline, good lessons, and manners. Even today after school, I take tuitions from JVM.

IITians run school to bridge social divide

Ajanta.Chakraborty
@timesgroup.com

Kolkata: A short ride from the hallowed portals of IIT-Kharagpur, nestled in a grove of eucalyptus trees, is a quaint little school, pulsating with energy and cheer. At first glance, it would seem like just another primary school in this tribal region of West Midnapore. What's unique is that it is run by IIT students.

This is no corporate social responsibility activity — the IITians call it "emotional responsibility".

Students of IIT-Kharagpur started Jagriti Vidya Mandir at Tangasol, about 5km from the institute, in 2008. Even today, reaching this English-medium school is an uphill task — quite literally. Our car lurches and groans up the unmotorable ucca road. Every day, IITians

take turns to cycle up this same dirt track to pave the future of some 185 underprivileged kids.

The classrooms have been painted in vibrant themes by the IITians themselves, who lug along their laptops to give computer lessons — and sometimes let the kids go wild with Microsoft Paintbrush. Class are often held in the open air in the beautiful eucalyptus grove. "IIT-Kgp

was founded in 1951 but it remained oblivious to the underdevelopment that surrounds the campus. Some of our seniors realized this and set up Jagriti Vidya Mandir in 2008," said Vibhu Kumar, a geology and geophysics student. "Life within the walls of IIT is comfortable, the world outside is a stark contrast. It is this contrast that motivates us."

IGNITING YOUNG MINDS: An IITian teaches students at Jagriti Vidya Mandir, situated five km from the Kharagpur campus

▶ Social worker's idea, P 4

Today, the school has moved to a permanent 2-acre campus. The four classrooms and a guard's quarters have been funded from Yogdaan, a donation drive organised by IITians and the Tiara Charitable Foundation. The guard's quarter is, in fact, a low-cost experiment by civil engineering students, who used bamboo instead of steel. The classroom walls have been painted by Spectra, the IIT-Kgp Arts Society. "We even did the land survey ourselves," said physics student Dhammappa Avhad. "The school is our baby. We even arrange for transports (jeeps) to fetch the children," gushed Harshita Chaudhary, one of the 25 IITians who form the school review committee. The 19-year-old from Bihar's Sambarpur said: "All my life, I have been a bookworm striving to crack IIT. Now I want some of these children to grow up and crack IIT."

The school caters to all the needs — food, uniform, books, stationary, school bags — through the "educate a child" scheme where donors fund a child's education. Several IIT professors and alumni have. "We follow CBSE syllabus and intend to apply for affiliation so that the school can be elevated to PⅢ level," said Arbind Kumar, review committee member.

बुद्धिमान लोगों को हमेशा भौतिकवादी होने की जरूरत नहीं

मैनेजमेंट फँडा
एन. रघुरामन

पहली कहानी : नवी मुंबई की अलीबाई पारदी को कई लोगों ने चेताया कि वे अपनी जमीन एसआईईएस कॉलेज के बच्चों के लिए न दें। क्योंकि हो सकता है, ये लोग जमीन का दुरुपयोग करने लगें। लेकिन अलीबाई ने इस चेतावनी को नजरदाज कर दिया। करजत से करीब 18 किलोमीटर की दूरी पर कवाटेवाडी गांव में उनकी जमीन है। गांव की आवादी भी ज्यादा नहीं है। यही कोई 550 मकान है। और ज्यादातर लोग डोगर-काली आदिवासी समुदाय के। आदिवासियों की जमीन की खोरी-फरोख नहज नहीं होती। लेकिन कॉलेज के लोगों ने अलीबाई को यकीन दिलाया कि वे जमीन का दुरुपयोग नहीं करें। अलीबाई भी अपने गांव में विकास चाहती थीं। इसलिए उन्होंने अपनी जमीन देने में कोई झिल्क नहीं दिखाई। यह 2013 की बात है। तब से वहां एसआईईएस कॉलेज के बच्चों और शिक्षकों ने गांव वालों की बेहतरी के लिए काम करना शुरू कर दिया। आज हालत ये है कि गांव में 2,000 वर्गफीट का कम्पनिटी होल है। इंटी से बने 32 मकान हैं। तीन टॉयलेट ब्लॉक्स हैं। इनमें 17 टॉयलेट हैं। छह बारवेल हैं। गांव का कचरा और गोबर गौरह डम्प करने के लिए कम्पोस्ट पिट है। वहां से जैविक खाद बनती है। पहले एक टूटा-फूटा स्कूल था, जिसकी हालत अब काफी बेहतर की जा चुकी है। यांत्री पुरा कायाकल्प। कॉलेज के बायोकॉमिस्ट्री के स्टूडेंट्स ने यहां ऐसी खाद बनाना शुरू की जो जमीन के लिए मुफ्तीद हो। बॉटनी के स्टूडेंट्स ने ऐसे पोषे लगाए जो पानी कम लेते हों। लेकिन ज्यादा फायदा देते हों। कैमिस्ट्री और माइक्रोबायोलॉजी के स्टूडेंट्स ने वाटर टीटमेंट प्लांट लगाया। साथ ही गांव वालों को सिखाया कि कुआं का पानी कैसे साफ रखा जा सकता है। कॉलेज के एन्सीसी कैडेंट्स ने गांव में नालिया बनाई। स्कूल के बच्चों ने भी हाथ बढ़ाया। उन्होंने गांव वालों को बेसिक अंग्रेजी पढ़ना लिखना सिखाया। अब ये बच्चे मिलकर गांव में रेनवाटर हार्डिंग पर काम कर रहे हैं। अगले साल तक यह तैयार हो जाएगा।

पारदी ने जो सपना देखा था। जिस यकीन से उन्होंने जमीन दान की थी। वह यकीन, वह सपना, साकार हो रहा है। उनका गांव आत्मनिर्भरता और तरकी की तरफ कदम बढ़ा चुका है। दूसरी कहानी : पश्चिम बंगाल के पश्चिमी मिदनापुर जिले में एक पांच किलोमीटर की दूरी पर। इस गांव में यूकेलिट्स के पेंडों से विरी खूबसूरत सी जगह पर एक स्कूल है। पक्षियों के साथ यहां बच्चों की बहवहाह भी बदस्तर गुंजती रहती है। पहली नजर में यह स्कूल सामान्य सा लगता है। लेकिन वास्तव में यह सामान्य है नहीं। व्योंग इसे किसी सरकार या कंपनी ने नहीं खोला है। आईआईटी खड़गपुर के बच्चे इसे चल रहे हैं। यानी यह कोई कॉरपोरेट सोशल रिस्पान्सिबिलिटी न हांकर बड़े बच्चों की छोटे बच्चों के लिए इमाशनल रिस्पान्सिबिलिटी है।

आईआईटी खड़गपुर के बच्चे ने 2008 में जागृति विद्या मंदिर शुरू किया था। सच कहे तो इस स्कूल तक पहुंचना आज भी खासा मुश्किल है। पर आईआईटी के स्टूडेंट रज साइकिल से यहां तक आते हैं। और स्कूल में आने वाले करीब 185 रुग्री और बेस्मधारा बच्चों को पढ़ाते हैं। इग्लिश मीडियम में। स्कूल की कक्षाओं की दीवारों पर शानदार पैटिंग नजर आती है। और वह भी आईआईटी के बच्चों ने ही की है। वे छोटे बच्चों को भी पैटिंग करना और रंगों से खेलना सिखाते हैं। लेकिन दीवारों पर नहीं लिंक अपने लिपटोप पर। पैटब्रश के जरिए। बच्चे भी दीवानों की तरह घंटों उनके कंप्यूटरों से खेलते रहते हैं। आईआईटी के स्टूडेंट्स ने योगदान के नाम से एक फँड कलेशन ड्राइव चलाई थी। इसके जरिए जो पैसा मिला उससे इस स्कूल की स्थायी बिल्डिंग बनकर तैयार हो चुकी है। चार वलासरूम हैं। दो एकड़ जमीन पर स्कूल कैपस हैं। गार्ड रूम अलग से है। इस कवायद में आईआईटी के बच्चों की मदद तियारा वेरिटेबल फाउंडेशन भी कर रहा है। और आईआईटी की ओर से इस अभियान को लीड कर रही है। हविंग चौधरी। सिर्फ 19 साल की है। लेकिन डरावे बड़े। समर्तीपुर, बिहार की रहने वाली है। उनके साथ 25 आईआईटीयन्स हैं। इन सबकी इच्छा है कि उनके स्कूल के बच्चे एक दिन आईआईटी ज्वाइन करें।

Gopali Youth Welfare Society believes India's progress depends on the progress of its weakest links. An esteemed empanelled partner of #TISS AESDII, it continues to bridge the development gap by making quality education accessible to children and youth in #Gopali village, #WestBengal. Their 'Nukkad Natak' (street play) against child sexual abuse performed with the support of students from IIT-Kharagpur during Republic Day celebrations 2018 received extensive media accolades <https://m.jagran.com/.../khadagpur-break-the-silence-save-chi...>

Shaifali Goyal, first year undergraduate student at Indian Institute Of Technology,Kharagpur had written a message on her behalf of an NGO called Gopali Youth Welfare Society[GYWS] which is completely run by students of IIT Kharagpur. As it is with most of Bengali villages, condition of vilages near the campus is really very bad in terms of employment, education, health and many other factors. That is why GYWS was formed in 2002. With their prime focus on education, the students are managing an English medium school in nearby vilage with beneficiaries of around 200 village children who are getting free education also they are provided with school uniform, notebooks and rest required materials. Just to clarify they don't go and teach them but they manage school including teacher's salary, staff salary, funding for the students uniform, notebooks and everything. They collect funds from industries to help this school grow. This is like a social initiative of the students with motivation of returning back something to the society around. Who are seeing this note can anytime mail at (sg.iit2015@gmail.com) or phone +91-9800644111 Please have a look at her organization. fb.com/gyws.iitkgp. Really a great thought .

GOPALI YOUTH WELFARE SOCIETY

Gopali Youth Welfare Society (GYWS) is a non-profit NGO run by the students of IIT Kharagpur, along with the help of local social enthusiasts, aiming to improve the living standards of people of village Gopali (a village in proximity with IIT campus), and tackling social, economic and educational problems faced by them.

Students of GYWS are managing a school in near by village benefiting 200 students. They provide them books, school uniform and all the required material. This is social initiative which collects funds from industries etc. They are trying to create a reform which will lead to better future for those students, society and country as well.

We need more such initiative if we want fulfill the dream of developed India.

Achievements

GYWS had many achievements in field of social work and education over the years, largely due to its youth team and support from local masses.

Following are few of the achievements:

1. GYWS has been empaneled in National CSR Hub by Tata Institute of Social Sciences.
2. We have started construction of permanent campus of our school Jagriti Vidya Mandir and we have finished construction of 4 units.
3. The school has started to run in single shift after construction of 4th unit.
4. Jagriti Vidya Mandir continues to grow and prosper, with over 200 students studying at the school from Nursery to Class 5.
5. GYWS has successfully rescued 12 child laborers till now, who are all currently enrolled in local government schools.
6. Mass awareness programs such as village survey, health camp, e-Samadhan have successfully been carried on.
7. All pass out students of Jagriti Vidya Mandir were admitted to Hijli High School, IIT Campus.
8. The activities of GYWS are recognized and praised and appreciated by the entire academic community of IIT Kharagpur. Praise for GYWS has come from all quarters, including alumni, professors and students.
9. GYWS and its activities have been showcased on a number of platforms. The society had a stall at the PAN-IIT Alumni Meet in December 2012, at the arena of Spring Fest, the annual social and cultural meet of IIT Kharagpur, in January 2014 and January 2015 at the Annual Alumni Meet 2015-16.
10. Most important achievement of GYWS has been harnessing the potential of IITians (cream of Indian Education system) and utilize it in constructive work at grass root level. It raised level of confidence and self-worth among students and is sure to take them ahead in lives.
11. GYWS has successfully increased its reach over the web in the recent years. Currently having 11,800 likes, the Facebook page is now verified.
12. [Amazon India](#) has recognized our efforts towards good and we are now empaneled under CSR policy through their "Gift a Smile" program. The link to our wish list has already been put up on the website and can now be used by Amazon users to make donations to us, the link to which is <http://tinyurl.com/gyws-amazon>.

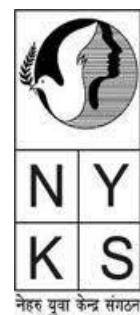

Gratitude to donors and associates

The premise of Annual Report will always seem inadequate to name the endless list of our donors, sponsors and well-wishers from various sections of the society. Our heartfelt gratitude to all those who have shouldered the responsibility with us. Our endeavour has been constantly supported by IIT Kharagpur students and alumni. In this respect we receive monetary as well as advisory help from them. We expect such continued support and encouragement in the years to come so that we can work in unison towards living our dreams. We are grateful to Tiara Foundation, Tata Institute of Social Sciences, Nehru Yuva Kendra Sangathan and 3(B) Tech Air Sqn NCC for partnering with us in our endeavours. Their support and association is our asset. We aspire for this bonding to grow and prosper in future.
